

S MEMPS Ambulance Rates

Listed below are the rates charged by S MEMPS for services provided in the pre-hospital setting. S MEMPS does not charge a parcel tax for Emergency Medical Services within its jurisdictional boundary. Virtually all revenue is derived through the billing of insurance companies and/or patients.

ALS1 Southern Marin	\$1,219.00
ALS2 Southern Marin	\$1,254.00
ALSM Southern Marin	\$400.00
BLSE1 Southern Marin	\$931.00
MILE1 Southern Marin	\$19.00
Night Charge Southern Marin	\$64.00
Oxygen Southern Marin	\$88.00

ALS 1 – Advanced Life Support assessment or intervention is provided to the patient. This might include the insertion of an intravenous line or administration of a medication.

ALS 2 – Advanced Life Support intervention that includes advanced procedures such as the insertion of a breathing tube and the administration of multiple medications.

ALS M – Advanced Life Support interventions are provided and the patient declines ambulance transportation to the hospital.

BLSE1 – Basic Life Support assessment and intervention. No paramedics skills are utilized.

MILE1 – The amount charged for every mile (or portion thereof) that the patient is transported

Night Charge – Amount charged when the incident is initiated between 7PM and 7AM.

Oxygen – Amount charged for the administration of oxygen. This includes the oxygen, disposable supplies (such as an oxygen mask) and the use of the associated equipment.
