#### *Lake County Fire Relief Fundraiser*

Like many in our community we have been moved by what we are seeing happen to our fellow Californians in the Valley Fire. Though we are out on the front lines battling these fires we return home feeling there is so much more that needs to be done and we believe we can collectively help.

The Southern Marin Fire Protection District is teaming up with our community to provide aid to the families in need in the area of the Valley Fire. Several agencies and private citizens have lent their support to people who have suffered losses due to the devastating fire. An area of tremendous need is with regards to pets and pet owners.

The Southern Marin Fire Protection District is accepting donations of **ALL PET RELATED ITEMS**. Food/bowls, litter/litter boxes, kennels, beds, leashes, collars, over the counter flea and tick medications and anything else you can think of that will be helpful to a pet/pet owner. There has been a massive outpouring of donations to people in the affected area. We want to make sure that the pets are taken care of too.

If you can help, please bring your donations to:

Fire station 9  
308 Reed Blvd.  
Mill Valley Ca, 94941  
(415)388-8182

Please bring your donation anytime day or night. If no one is here to accept it, there will be a drop box in front of the fire house.

**All Donations must be in by Monday September 28<sup>th</sup>, 2015**

Thank You for your generosity and support in this time of need.
